Part B for Feb '49

SUBJECT

Advance of a Sum of Rs 750/= to the Indian Military Dept towards the hire charges of the petrole drawn Road Rollers required for use by the 6 I T B Bangalore City

1o The Chairman, 6 I T B Bangalore City
Auditor, Public Works Dept

G O No d 8902-3/N 7-2-49

Approves the action taken by the Chairman with certain observations

PC

From the chairman, Bangalore
Trust Board

No J 349/48 & 5-1-49

Requests approval to his action in having advanced a sum of Rs 750/- to the Military authorities towards the hire charges of petrol driven Road Rollers required for use in connection with the Trust Board Schemes

1) Submitted

(Fig 3)

As seen from the conditions on which the Rollers are being loaned by the Military authorities to the Trust Board, the hire for each Roller will be Rs 37-8-0 per working day or Rs 1125/- per and Rs 20/- per idle day or Rs 600/- per For two Rollers the hire charges, if they work, will be Rs 2,250/- per It is not clear whether the cost of petrol required for these Rollers is included or not in these charges

2) In this connection, it is submitted that the proposal of the chairman to approve of his action in having placed orders for the purchase of one steam Road Roller ~~at a cost of about Rs 3,000/-~~ has already been submitted with a draft of

3) The proposal now made to engage the services of the petrol driven Rollers appears to be a costly one The chairman should have obtained the orders of Govt before he took action in this respect He could have conveniently waited till the steam Road Roller, for the purchase of which orders have already been placed by him has been received

4) In the above circumstances the point for consideration is whether it is desirable to engage the petrol driven Rollers on hire system at the rates proposed by the chairman

or

whether his action in having advanced the sum of Rs 750/- towards this may be approved and he may be permitted to take these Rollers on conditions referred to in the letter flagged B

5) The Chairman C & D.B Bangalore has intimated the circumstances under which Petrol driven road roller was taken on hire from the Military Deptt. Only one roller has been taken, admitting a saving of Rs 750/- therefor as required by the Military authorities. The Chairman has not however stated how long this would be required for use as it is a costly experiment to make

6) The resolution of the Board may be approved with the direction that the hiring out of the roller should be limited to the absolute minimum period & that efforts should be made to secure the steam road roller with the least delay

Sir,

Subject - Petrol driven road rollers loaned by the Military Department

I have the honour to state that the Engineer Officer attached to the Board reported on 22-11-1948 that the road works in Kumara Park West Extension and Industrial Suburb which are to be pushed through had been held up for want of Roller for consolidation purposes, that Rollers were not available either in the Municipality or in the Public Works Department, that the Military authorities who were approached and requested to spare petrol driven Road Rollers were agreeable to spare them in their letter dated 11-11-1948 addressed to him (copy enclosed for reference) The Engineer Officer in the circumstances proposed to hire out one Roller for the present on the conditions specified by the Military authorities

2 As according to last condition, an advance of Rs 750/- per Road Roller had to be paid, a cheque for the amount was drawn on 23-11-1948 in favour of the Chief Instructor, Workshops, QVO, Madras Engineer Centre, R I E , Bangalore, and sent to him The hire charges and the incidental expenses in this connection will be charged to the scheme

3 This subject was placed before the Board at its meeting held on 26-11-1948 and the Board passed the following resolution

"RESOLVED that the action taken be approved "
